And be wise!
Look up words in the dictionary
if you don't know what they mean!

“KEYWORD”

Definitions
which will
take you
beyond
“word one!”

COMPARE

Have you ever studied hard
for a test, but when you
read the test questions,
you were instantly frustrated
because you couldn't figure out
how you were supposed
to answer them?

One reason may be that you
didn't understand the meaning
of the keyword in the question
(for example, "analyze")!

And it's not that you haven't
heard or seen this word before,
it's just that you don't
REALLY know what it means!
So instead of having all that
studying you did pay off,
you're heading for failure!

Sadly, this situation has
happened to most of us—until
we took the time to learn the
meanings of these pesky
Test Taking Keywords.
The information in this brochure
HAS those definitions!
So, read on, and begin
to feel the relief!!
