Birmingham City Schools

Believe. Create. Succeed.

February 23, 2018

Dear Parents and Community Stakeholders:

The Birmingham City Schools system, like school [illegible] and the entire community, should be safe [illegible] safety procedures and protocols in that [illegible] Police Officers [illegible] Director of Safety [illegible]

[illegible] metal detectors and wands in our high schools, as a deterrent.

[illegible] have an anonymous tip line where students or community members can report threats without revealing their identity by calling 1-877-250-[illegible]

[illegible] Schools is available in safety drills [illegible] times throughout the year.

[illegible] We have school counselors and social workers available to our [illegible] [illegible] throughout the year.

Dr. Lisa [illegible] Herring, Superintendent

[illegible] 1000 | Birmingham, AL 35202 | Telephone: 205-231-4600
